Big News

A Call For Climate Professionals: Share and Discuss Ideas Online

[The Pamir Mountains challenge](#) (hosted by ClimateCoLab) is well underway! A big thanks to everyone who has participated. Dr. Karim-Aly Kassam of Cornell University is working with local communities and an interdisciplinary team of scientists to recalibrate traditional ecological calendars to a changing climate.

A Penny For Your Thoughts

It's as simple as having an idea and [sharing it online!](#) Create a proposal in minutes, and your idea will be open to multi-disciplinary discussion. Whether it's from research or experience, all ideas are welcome.

Explore

Proposals are up, and are waiting for your input! Ask questions, discuss, and help push ideas forward.

Here are a few of the proposals that are looking for your input:

- 1 [Agricultural tips on radio and mobiles](#)
- 2 [Biodiversity collections to understand climate change](#)
- 3 [Crowdsourcing via SMS](#)

Climate Hour

Got an hour?

Take up the chance to speak to Pamir Mountain challenge advisors, Dr. Karim-Aly Kassam and Dr. Anne Nolin, hosted through Google Hangouts.

Cool to Know

Learning From the Climate Movement in Latin America

"The premise of this approach is doing things in a community-centric, ecologically-balanced and culturally-sensitive manner."
